PREFACE

HENDERSON, N. C.

Population Greater Henderson 18,500 **Altitude 509**

As North Carolina's most northern city on U. S. Highway No. 1, Henderson is truly the "Gateway to the South." The 18,500 people of Henderson are proud of their southern heritage, and the history that surrounds them. Our southern architecture stands in beauty beside the modern styling of our newer buildings. Suburban comfort with metropolitan conveniences offer excellent living and working conditions.

LOCATION

Henderson is 115 miles south of Richmond, Virginia, and 42 miles north of Raleigh, the state capital. The Atlantic Ocean is only a 4 hour drive, and the beautiful Blue Ridge Mountains are only 5 hours away. A moderate climate avoids extremes, and gives many wonderful days for outdoor living. December is the coldest month with an average temperature of 42 degrees, and August, the hottest month, averages 76.8 degrees. Although snowfall is light and does not interfere with business, there is usually enough for sledding and other winter sports. The altitude of Henderson is a comfortable average between the lower plains of Eastern North Carolina and the mountainous regions of Western North Carolina. Cool summer nights and moderate winters give a pleasant climate for healthful living conditions.

Lovely homes on tree lined streets give Henderson some of the most beautiful neighborhoods found anywhere. Although most of the 700 homes built in the past 5 years are more modernistic in design, many older colonial homes create an architectural picture found only in southern communities. Pleasant surroundings are a big reason our people point to Henderson with pride as being "home."

RELIGIOUS ACTIVITIES

The lives of all are deeply enriched by over 40 churches in Henderson. These houses of worship represent eleven denominations. Their beauty makes church going a pleasure, and they are well equipped to handle all phases of religious activities.

SCHOOLS

The education of our children is adequately handled by two high schools, one junior high school, and eight elementary schools. More than $2,000,000 has been spent in the past several years to enlarge and modernize the city system. Forty percent of the graduates attend an institute of higher learning from our well staffed schools. One business school and a junior college are in Vance County, and within 50 miles of Henderson are located 16 colleges and universities.

799/88

AGRICULTURE

Tobacco is still the major crop in Vance County, but our agricultural economy is branching out into new fields. Dairy farming and beef cattle, as well as vegetable crops, are raising the economic standards of the community. Food and feed processing plants have opened new markets. Seven tobacco warehouses make Henderson one of the leading markets for bright leaf tobacco in the world. In 1958, the first Aromatic (or Turkish) tobacco market in Eastern North Carolina was held in Henderson. The visitor is invited to watch the tobacco auctions from September thru November, and arrangements can be made at the Chamber of Commerce office.

INDUSTRIAL AND COMMERCIAL

New industries continue to diversify the income of Henderson. We have textiles, automotive supplies, food processors, mining, knitting, fertilizer, concrete, tobacco, and furniture in our community. Our expanding industrial economy now gives employment to over 4500 persons. Over 300 business establishments serve a trade area of 150,000 people. We have three strong banks and two building and loan associations with combined resources of over $20,000,000.

GOVERNMENT

The City of Henderson has a Mayor-Council form of government with eight city councilmen and the mayor serving two year terms. The mayor is the executive head of the government. Despite the fact that the City of Henderson has spent more than $3,000,000 in the past ten years in capital outlay to improve service to the citizens, the tax rate has remained stable at a very low figure.

SERVICES

Two hospitals, a new health center, and several nursing homes provide over 150 beds to serve the needs of our community. Well trained doctors and nurses give excellent medical care to the people of Henderson. The H. Leslie Perry Memorial Library serves as a tribute to the cultural advancement in Henderson. This stately structure houses over 20,000 volumes. Supported by local as well as state and federal governments, its continued growth is evident. The Vance County Rescue Squad stands ready to serve our people in case of any emergency.

TRANSPORTATION

Henderson is second to none in transportation facilities. U. S. Highway No. 1, U. S. Highway 158, and several state highways are lending to the advantages of Henderson and leading to its advancement. It is served by the main line of the Seaboard Airline Railway, and a branch line of the Southern Railway System. The Atlantic Greyhound Bus Corporation operates 36 buses through Henderson daily. An airport suitable for private or executive type planes is available. The Raleigh-Durham Airport, with regular scheduled airlines to all points in the country, is only a 50 minute drive from Henderson. Industrial and commerical houses are served daily by 13 motor freight carriers.

Henderson Statistical Review

RECREATIONAL—Country Club with 18 hole golf course and swimming pool; Springdale Swimming Pool (private); Kerr Reservoir for fishing, boating, and all types of aquatic sports; Boy Scouts; Girl Scouts; King's Daughters' Park with swimming pool and tennis courts; athletic fields; skating rink; and modern theatres.

VITAL INFORMATION At Your Finger Tips!

- **Tens of thousands of people who were formerly strangers to the City Directory are consulting it on questions of citizenship, employment, sources of supply, communication, etc. Also, Directory usage is up among regular subscribers.**

More People Are Seeing City Directory Ads

WHEN YOU WANT TO KNOW:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Street Directory

—OF—

HENDERSON, N. C.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE
AND DENOTING BUSINESS PLACES

VOL. XI 1961-1962 **VOL. XI**

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(◉)—Before name denotes home-owners.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.

ABBOTT — From 625 Roanoke Av west to Coble Blvd

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and directory of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

Association of North American Directory Publishers
